CEO'S REPORT

Hello Members,

The Club held the Annual General Meeting on Sunday 25th August. I can inform members that Colin Strudwick was elected unopposed to the position of President and Kevin Williams was elected as a Director. Both appointments are for a 3-year period. We also saw long time Director and Life Member Fred Fardell retire at this election. I take this opportunity to thank Fred for his outstanding service to the Club and wish him and his wife Delsie all the best.

The Board has completed the Club's strategic plan for the next two years and I am pleased to announce that pursuant to this plan the Board are considering amalgamation with Asquith Bowling Club. The Directors and Management of both clubs have met, and a draft Memorandum of Understanding has been completed. Members will be given an opportunity to vote on this proposal in due course.

The club has recently made some cosmetic changes to the function room at Bundeena. This room has been rebranded to 'The Reserve Room'. Members will see this room advertised to increase functions at the club and a new functions package has been completed. I encourage all members to use and advertise this room and its outstanding facilities.

GIVING BACK TO THE LOCAL COMMUNITY

BUNDEENA CSC MAKES SPECIAL \$10,000 DONATION
TO BUNDEENA RURAL FIRE STATION.

Bundeena's volunteer firefighters will be a little safer on the fireground this year in what is already shaping up to be a difficult bush fire season.

Bundeena Community & Services Club in conjunction with the Cabra Bowls Group has recently donated \$10,000 to Bundeena RFS. The money will be used to acquire three specialised Bluetooth radios that will improve communication between firefighters and their fire trucks, which is particularly vital when phone coverage is poor in the Royal National Park and its surrounding areas.

Venue Manager Camilla Hargreaves said the club was proud to be able to support such a vital local service.

"We're in awe of what these volunteers do to help keep our community safe," she said. "It's great to be able to help them do their vital work."

"This is a great example of how your club gives back to the community. This donation is in addition to our \$10,000 sponsorship's given each year to local groups - We always say we are at the heart of the community and have the community at heart."

Brigade president Maxine Hayden thanked the club for the donation.

"Communication is one of the most important factors during incidents and these new radios will not only allow our brigade to operate more efficiently, but also help protect the community as a whole -thank you, thank you and again, thank you. This benefits ALL of us!," she added.

MEET CAMILLA

VENUE MANAGER

Why Bundeena Community & Services Club?

I have been associated with the club for many years, starting as a casual bar attendant in late 2006, working my way up to a part-time supervisor whilst studying an advanced diploma of hospitality management and more recently as full time Operations Manager (2IC) of the former Bundeena RSL. When the previous CEO of Bundeena RSL resigned for a new role in a larger club, I applied for the role of Venue Manager as I wanted to continue with the club's journey while also gaining more experience working with a larger club group.

When Bundeena RSL was destroyed by fire in early 2015, the town was rocked to the core. As we stood there that morning and watched the club burn, I set myself a goal to stick it out and fight to see our beloved club rise from the ashes.

It took over three years of blood, sweat and tears, and after exhausting every available avenue for funding, we thought we were not going to achieve the goal - however with the help and faith of the directors and executive at Cabra Bowls who believed in our little club and our vision, we made that dream a reality. The doors to our multi -million dollar Bundeena Community & Services Club opened in late March 2018, and trade has been powering ever since.

What's your favourite feature about Bundeena?

There is so much to love about Bundeena that it's difficult to pick just one favourite, but it's hard to go past a swim and walk along Gunyah Beach on a summer's day.

Tell us how you work with the locals & what it means to you & your team at Bundeena CSC.

Being involved with the locals in the community is very important to us all at the club. You will often see Ross Hogan (assistant venue manager) and I volunteering at local events and doing our bit to give back to the local community. Most recently we were both volunteering behind the bar at the local school's Art in the Park fundraiser in July and just last month at the Art of Living Festival's opening night at the community hall.

We also give back to the locals on a daily basis with members earning points on their card for every dollar spent on food and beverage which can be used towards purchases in the venue.

The clubs been open for a year since the re-build with Cabra Bowls Group. Tell us a little more on how this has influenced the community.

It sounds clichéd but it really is like the club has returned the "heart and soul" to the community. It is lovely to again be able to offer a venue for community groups to meet, such as Bundeena RSL Day Club, Choir and Photography club on a Tuesday, band practice on a Wednesday while also providing affordable events for the locals like Bingo on a Monday which members can enjoy for as little as \$3 a week.

Being part of a larger group also gives us the ability to give back to the community more than ever before. We recently were able to donate an additional once-off \$10,000 (on top of our regular sponsorships) to the Bundeena Rural Fire Brigade to purchase Bluetooth radios for better communications in the field - to be able to really make a difference to small not-for-profit organisations is a big part of what we are about, not only as a club but a group.

What's your 'go-to' item on the menu?

We are lucky to have a team of talented chefs which brings so many winners on the menu, however an all-time favourite has to be the grilled barramundi. More recently as the days have been getting warmer, I have been enjoying the new apple and walnut salad. Keep an eye out for our new menu later this year, which will feature our classics as well as some new and exciting dishes for you to enjoy.

See you at the club!

The
RESERVE
ROOM | *Growing
Memories*

Catering for those special moments in life so you don't have to.

CELEBRATIONS | WEDDINGS | EVENTS

Located on the lower ground level of Bundeena CSC, The Reserve Room takes its name from its uninterrupted view of the lush green landscape of Bundeena Reserve.

A contemporary room purpose built for intimate events in a private setting, the venue offers a full bar, professional catering by a diverse range of experienced chefs, AV equipment including a large projector screen, outdoor area and ample parking.

The Reserve Room can comfortably cater for up to 100 seated guests and 130 standing and is the perfect place for growing memories and celebrating special moments.

Located upstairs is The Little Gonyah Room, a private area with a large screen TV, a private balcony and a stunning view of Port Hacking and onto the city skyline. This room is perfect for smaller groups, family celebrations and business meetings. It comfortably caters for up to 20 people seated.

The range of menus and packages on offer is unmatched in the area. Catering for small groups to large parties, there really is something to suit every occasion.
