## premium tiers

Premium Rewards has four tiers. The more you spend, the higher the tier, the more premium the rewards.

You'll start on emerald as soon as you join, then you'll move up and down based on the amount of premium points you have earned.

Want to know what tier you're on, ask a friendly staff member to show you how.

Premium Rewards is the Cabra Bowls Group loyalty rewards program and is available at all group venues.
